

DISTRICT 5 DCMC MONTHLY REPORT

MEETING DATE: JULY 10, 2025

(Please Note: Because the normal order of our agenda items is different tonight due to the length of our "Program / Bill W. - Conscious Contact", my report may or may not be given verbally. If not given verbally, a copy will be made available electronically and on our website.)

Good evening, everyone. My name is Vicki R., and I am your alcoholic District 5 DCMC. As always, I am grateful to be surrounded both in-person and virtually by all of you sober 'being of service' alcoholics. Because tonight's meeting is our "Delegate's Shareback" night, I'll try and keep my report as short as possible.

STEERING COMMITTEE MEETING – JULY 7, 2025 (5:30pm-6:00pm):

Attendees (5): Lien L-G, Matt D., Josh O., Mitchell B., and Vicki R.

As DCMC, I chaired the meeting. We discussed tonight's Delegate Shareback scenario, along with our Church of the Foothill's rental options. Afterwards, we finalized tonight's agenda based on those discussions.

AREA 09:

- July's Area meeting is the "FORO", which is "forum" in English, and it's being held 'in-person' only this upcoming Sunday, July 17th at the in Long Beach. FORO is a yearly event that is hosted by one of our Area's Spanish districts. This year it's being hosted by District ???. For translation purposes, English speaking members will be provided headphones. I encourage you all to attend in order to experience what our Spanish members experience when they're provided headphones for translation.

AA.org / G.S.O. / A.A.W.S.:

- Nothing to report at this time.

Since our June 12th meeting I have attended and participated "VIRTUALLY" in the following events

- June 14th (Virtually): MSCA09 "Archives" Meeting
- June 19th (Virtually): MSCA09 Monthly "Service Study and Committee Sharing" Meeting – I presented the Concept 12 report.
- July 7th (Virtually): District 5 "Steering Committee" Meeting

In addition to the above, due to information that was provided to me by another D5 member, I contacted the Church of the Foothills regarding the option of meeting in Davis Hall either Monday or Friday night. I was told we would be able to hold our meetings there on either of those nights.

I look forward to having those D5 members share their "2025 International Convention" experience with us during the "Program" portion of our August meeting. Just wish I could have experienced it myself. Gratefully, I'll have the opportunity to in five years!

That's my report for now. A full copy of my report will be emailed and, also, uploaded to our website at a later date. Are there any questions? If not, thank you for allowing me to be of service. As always...it's one of the reasons why I'm still sober today!
